A poor turnout and Doug Haddock's crash in the warmups cast a dim setting for the 1000 m and 4000 m Time Trials Saturday Morning. Five riders reluctantly did the thousand meters for training but the times weren't kept. Sunday the turnout was a little better and the ten miler had nine starters. An early jam by Bob Perrin got the 10 miler off to a fast start. However Perrin became a victim of his own breakaway when Gulotta, Shrammel, Hughes, and Richard Gin formed a smooth four man group. The pace was moderate until Gulotta broke away with 5 laps to go. Gulotta was reeled in with 2 laps to go. Hughes narrowly beat Shrammel in the sprint.
